

**TESI 3 ELECTRIC**

height 653 mm, length 870 mm. Matt Anthracite Grey finish (cod. 6V).

**Technical features:**

- pressed steel sheet manifolds
- 25 mm diameter steel sheet tubes
- 45 mm long elements (element pitch)
- complete with thermal liquid
- The TESI Electric radiator is painted with epoxy powders in all Irsap colours (and RAL out of catalogue)
- the electric heating element has a digital electronic control with: stop command, chrono, comfort, reduced operation at night, antifreeze.
- 1.200 mm long transparent power cable, SCHUKO plug
- single phase power supply 230 V, 50 Hz, Class II, IP24
- open window detection function
- The radiator is reversible from right side to left side

**Prices include:**

- fixing brackets complete with screws and anchors
- remote control for programming and managing the product

**Operating mode:**

Comfort, reduced, antifreeze, ECO, chrono, holiday, open window detection, child protection, adaptive start control, key lock.

**Extension of Guarantee:**

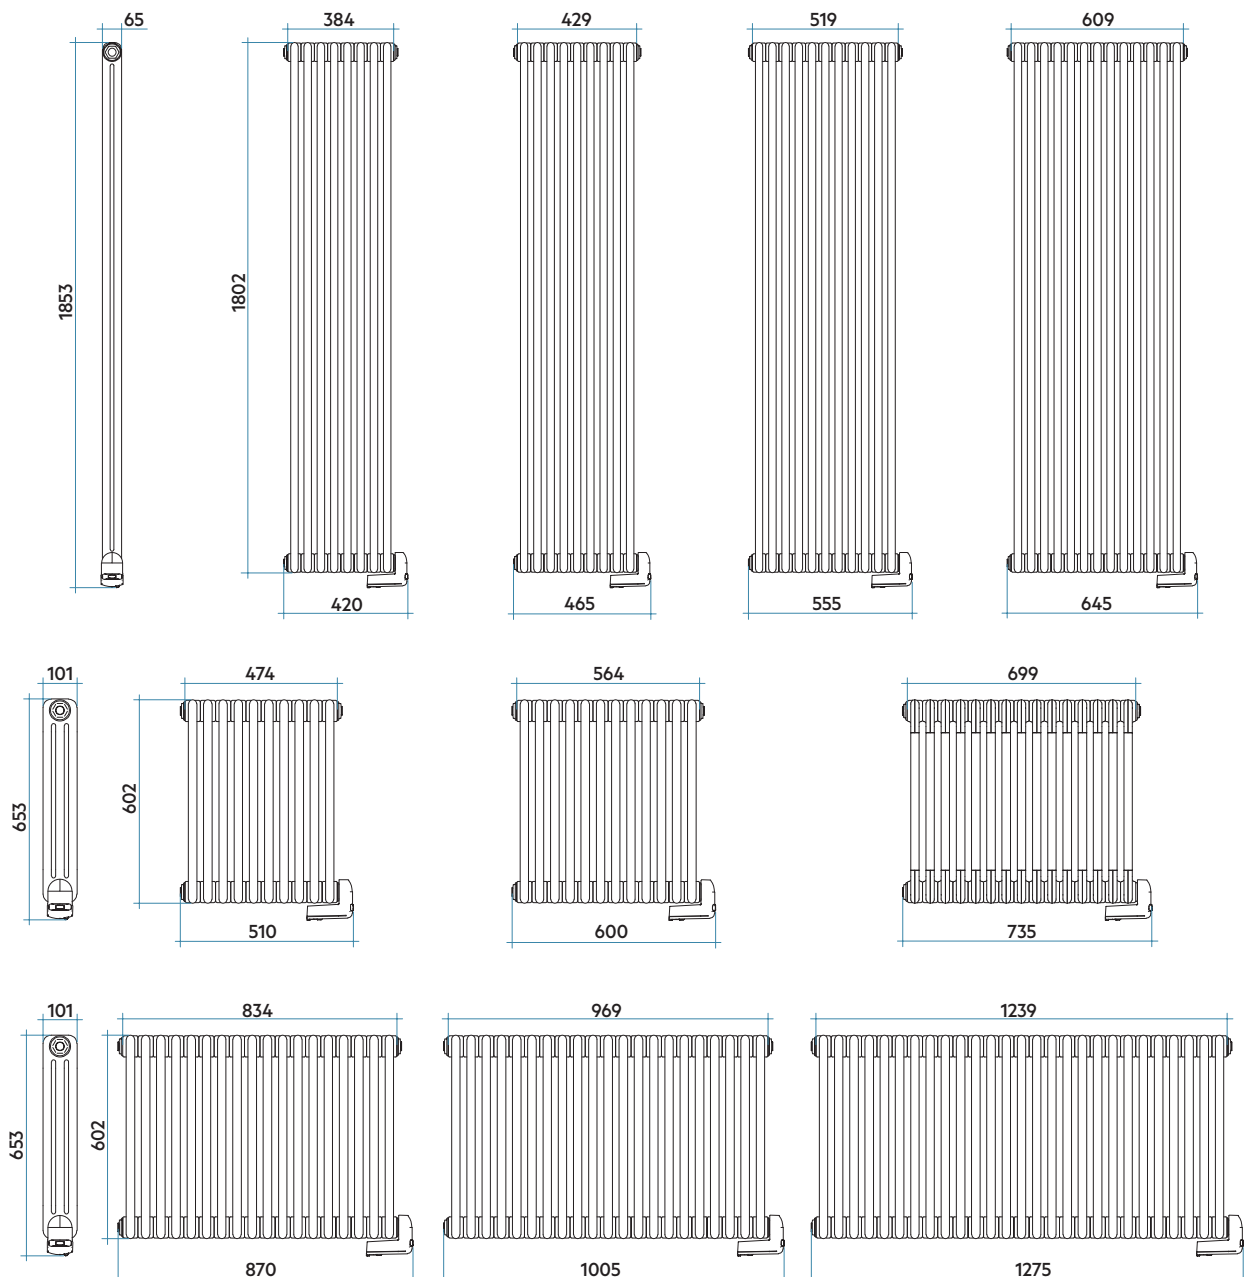

**Irsap guarantees the hydronic seal and paint of TESI ELECTRIC radiators for 10 years, starting with sales in 2010.**
